

Summer is in full swing, and so is our community. This June, KFAM showed up at conferences, wellness fairs, radio stations, and everywhere our community needed us!

AFFI

AFFI Family Summer Picnic

Foster and adoptive families came together for a joyful summer picnic filled with food, games, bead making, crocheting, face painting, balloon art, and raffle prizes, creating meaningful moments of connection and community.

GENDER-BASED VIOLENCE

She's Club

She's Club program empowers Korean American women to engage in conversations about healthy relationships and contribute to building healthier, and more connected communities.

Community Outreach

GBV continues to raise awareness of KFAM's services and strengthen local partnerships through community events. At Community Wellness Day and the 11th Annual API Youth Forum, we introduced KFAM's services and resources to community members and youth.

SAPC

Radio Interview

SAPC Manager Ji-Hyun was featured on Radio 1230, sharing our work with a wider audience. It was a meaningful chance to bring our message to even more listeners.

MENTAL HEALTH

NHM Summer Educator Conference

Our Mental Health and AFFI were excited to take part in the Natural History Museum's Summer Educator Conference through a tabling event. We had opportunity to introduce our programs and resources to educators and build new connections.

MANITTO CLUB

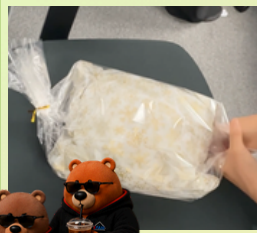

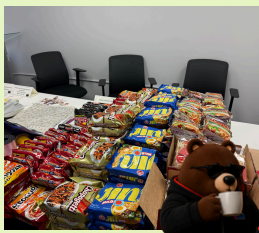

KFAM staff participated in a week-long Secret Santa-style “Manitto” exchange, wrapping gifts prepared by KFAM and writing handwritten cards for their Manittos. The activity brought extra joy and warmth to the team while helping staff learn more about one another.

STAFF RETREAT

At our staff retreat, the team took a closer look at individual working styles and used a LEGO-based exercise to learn how to work together more effectively.

COMMUNITY EVENTS

Storytelling Workshop

We hosted a storytelling workshop where children learned about storytelling and created their own original stories. The activity encouraged creativity, imagination, and confidence as they brought their idea to life.

COMMUNITY EVENTS

CSC mummies Field trip

We took our students on a field trip to see "Mummies of the World: The Exhibition" at the California Science Center. Exploring ancient cultures and the science behind them made learning come alive for everyone.

KFAM Leadership Award Orientation

We held the orientation for our Leadership Award Program. Youth will build their leadership skills through a variety of activities and learning experiences. We can't wait to support our young leaders as they take their first steps!

KAYLT Site Visit

KFAM welcomed 24 students from KAYLT for a special visit to learn about KFAM's services and explore the organization. The visit gave students a closer look at KFAM's work in the community.
