

HIGHLIGHTS of this MONTH

FALL ADMIN RETREAT

It's been very busy, and the admin retreat was delayed but we took a day to unwind with crafts and heal with good food and each other's company.

HALLOWEEN FUN @ NATURAL HISTORY MUSEUM

Thank you, Natural History Museum for inviting us to the Haunted Museum! In the photo below, clinical supervisor Melissa and her daughter dressed up to join the fun!

WINTERS ARE WARM AT KFAM

New Navien US CEO came to personally deliver the Navien Mate Bed Warmers. Navien has been donating to KFAM for 7 years! Thank you!

FINANCIAL LITERACY WORKSHOP WITH PCB BANK

Thank you PCB Bank for sponsoring "Click Happens: How to Avoid Cyber Regret" event for the community members to stay informed and safe!

WARMTH SHARED OVER A MEAL

KFAM, along with several other Korean nonprofit organizations, was invited to a special luncheon at the Korean Consulate General's residence. The gathering served as an opportunity to share community concerns, explore ways to strengthen services, and discuss collaborative efforts to better support the Korean American community.

KFAM @ 11TH ANNUAL I MATTER-GIRLS EMPOWERMENT CONFERENCE

About 2,000 teen girls came to the summit and our team joined community partners in inspiring the next generation. Empowering them with the knowledge & skills to say no to harmful substances, set healthy boundaries, and how to seek help.

FOR HEALING IN OUR
COMMUNITIES

Community Engagement

Our therapists were at the Yonsei Health and Wellness Expo in Orange County! They spent time with community members, spreading awareness about stigma around mental health, where to seek help, and more!

AFFI Adoption & Foster

AFFI Teen Club & Financial Literacy Workshop

Thank you to Alix, Andy, and Josh for volunteering your day. Our foster teens enjoyed a day packed with finance basics plus fun.

Gender-Based Violence

GBV DVAM
Campaign

October is Domestic Violence Awareness Month (DVAM)

Visit KFAM's DVAM campaign page to help domestic violence survivors and community members better understand domestic violence and find the resources they need.

Raising awareness through healing & craft class

GBV hosted a healing napkin art & calligraphy workshop for our community! Staff had prepared handmade trinkets linking to our #DVAM campaign & personal safety alarms for the class attendees to take home.

Experience that Inspires Others

Program Director Sunhee presented a lecture at the Loyola Marymount University on the topic of Domestic Violence in the Asian Pacific Islander (API) Immigrant Community. She has been with KFAM for 8 years and counting. Now, she shares her knowledge & experience to inspire the next generation.

DVAM Career Panel and Expo at CSULA

GBV team joined the panel to share their career journeys, insights, and advice for building impactful careers in violence prevention and survivor support!

GBV continues its efforts to raise awareness of domestic and sexual violence through community event participation and educational outreach.

“10 dollars that changed someone's life”

When we hear the “charity,” we often think of millions of dollars in donation, big checks, and media headlines about the generosity of the rich.

But what if donations didn't have to be heavy or measured in thousands of dollars in money?

Support can come in various forms and we are grateful for our donors & friends who stand with us in our mission to empower the API community.

FALL SCIENCE CAMP IS BACK!
