

MENTAL HEALTH COUNSELOR (FULL TIME)

JOB DESCRIPTION: Korean American Family Services (KFAM) is a non-profit organization specializing in family violence, mental health, and social services to Korean immigrant families. KFAM is seeking a highly motivated, mental health counselor to work under the supervision of the Clinical Counseling Manager and Clinical Supervisor. The counselor will provide clinical counseling to children and adults in individual and group settings.

JOB REQUIREMENTS:

Direct Services:

- Provide counseling to individuals, couples and families to work through various mental health issues such as anxiety, depression, grief, low self-esteem, stress, trauma, domestic violence, marital problems, parenting issues, child abuse, alcoholism, and anger management
- Assist clients to gain insight into their lives and mental health issues
- Assist clients to develop positive coping skills to manage their emotional health in a healthy way
- Develop and implement treatment plans based on client need
- Maintain proper documentation of services provided
- Refer clients to other resources or services in the community, such as support groups or inpatient treatment facilities, as needed
- Collaborate with other mental health professionals and staff members to provide appropriate mental health treatment
- Advocate for clients to coordinate required services or to resolve crisis situations
- Evaluate the effectiveness of counseling program
- Plan and conduct programs to prevent substance abuse, child abuse, and domestic violence
- Plan and conduct programs to improve community health and access to counseling services.

QUALIFICATIONS:

- Master's Degree in Marriage & Family Therapy, Social Work, or Psychology required
- Ability to work some evenings and Saturday mornings as needed
- Well-organized, self-directed, highly-motivated, and hard-working

BENEFITS:

- Salary commensurate with experience. Generous benefits.
- 40-hour DV training and certification.
